**Abilene to host the largest Greenhand Leadership Camp in the nation**

ABILENE, Texas – The Area IV FFA Association will host the largest Greenhand Leadership Camp in the nation on Tuesday, Sept. 20. This event will be held at the Taylor County Expo Center. Greenhand Leadership Camp provides first-year members with a learning experience about what FFA has to offer, as well as, leadership and teamwork skills. It also provides them with the opportunity to meet other students from around the area with the same interests.

Two inspirational speakers, Curtis Childers and Ken Williams, will speak to the group and there will be breakout sessions conducted by Area IV FFA officers. Registration will begin at 8:30 a.m. and the group will dismiss at 12:30 p.m. There will be approximately 1,000 high school students and 65 agriculture teachers in attendance.
