ABILENE, Texas will host the second annual Outlaws & Legends Music Fest March 2 and March 3 in celebration of Texas Independence Day. The festival kicks off Friday, March 2, with more than 10 artists performing an unplugged acoustic song-swap show from 8 p.m. to midnight, followed on Saturday by the biggest one-day, one-stage Texas music festival from 10 a.m. to 1 a.m. with 14 artists schedule to perform. The night of March 3 will cap off with a spectacular encore of the artists sharing the stage playing their biggest hits from midnight to 1 a.m. Proceeds will once again benefit the Abilene-based Disability Resources Inc. (DRI), which provides residential care and vocational training to developmentally disabled individuals.

Last year's Outlaws and Legends Music Fest generated close to \$32,000 for DRI. The festival will take place at Abilene Speedway, 6825 W. Highway 80 in Abilene. Gates will open at 4 p.m. Friday, and attendees must vacate the Speedway by noon on Sunday, March 4. Fans may bring their own cooler, any size, for a fee of \$20 per cooler. Three hundred RV spaces are available for \$40 each on a first come, first served basis. Vendors will be on site serving food and selling paraphernalia.

A special Outlaws and Legends rate of \$49 is provided at the Whitten Inn Expo, headquarter hotel, 840 E. Business 20 – 800-880-7666 or 325-677-8100.
